THE ARTS CENTER RECEIVES COMPETITIVE GRANT FROM THE OREGON COMMUNITY FOUNDATION

Corvallis, OR – The Arts Center is pleased to announce that it has been awarded a \$25,000 grant by the Oregon Community Foundation (<http://www.oregoncf.org/>) as part of their Community Grants program. The grant, which can be used for general operating expenses, significantly decreases the operations budget gap created by the loss of \$40,000 in City funding.

The Arts Center is adjusting its business model to better serve our community given the current economic climate. This operating support from the OCF will help enable The Arts Center to transition to a new business model without running a deficit and will help The Arts Center continue to serve the thousands of hospital patients, students, and art lovers who rely on our programs.
